Refunds will be credited back to the purchaser in the same manor that original payment was received. Credits will be issued approximately 7 - 10 days after product is returned. All packages must be inspected before any credit may be issued.

This form must be attached to your package when it is returned so we can credit you back for your purchase. If this form is not attached we will not know who to credit for this item.

If you have any questions please call us before sending back your product. We will be happy to answer any and all questions. 1-832-260-3648.
